LIMBURG AWARD

This diploma is published from the Sectie (DOK) "north Limburg " (NLB) for contacts with stations in the Belgian province Limburg after 1 January 1980. In addition, QSL cards of SWL's from the province Limburg are valid for the AWARD. One detects stations and SWL's of the province Limburg by the postal zip codes B-3500 to B-3999 and to its section (DOK) NLB, HAC, MLB, NOL, RST, ZLB.
Each station and SWL card counts only once, all the same on which band and in which operating mode, with would exclude the club station ON4ANL on everyone band and into each operating mode counts. The LIMBURG-AWARD given change for mono band-, Allband QSOs, Mixed mode or for a certain operating mode such as CW, RTTY, PSK, SSTV, ATV, MFSK, Pactor, HELL, FONE etc....

Needed points:

ON- stations need	30 points
Eu- stations need	20 points
DX- stations need	10 points

Valuation on short wave:

Each QSO counts	1 point
QSO's with the club station ON4ANL	6 points

Valuation on VHF,UHF, LF & Microwaves:

Each QSO counts	2 points
QSO's with the club station ON4ANL	6 points

The diploma request turns on with checked log single dump (GRC) and the fee of 10 IRCs or 8 US Dollar or EURO 8, - to:
Willy Van Uytzel, ON2ACN, Maneshoeve 21, B-2440 GEEL, Belgium
