

# DK2AM

A photograph of a radio antenna tower and a tree against a colorful sunset sky. The sky is filled with vibrant orange, red, and purple hues, suggesting a late autumn or winter sunset. The antenna tower is a tall, dark structure with several horizontal cross-arms. The tree is a large, leafless tree with a complex branch structure, silhouetted against the bright sky. The foreground is dark, showing the silhouettes of other trees and bushes.
